NARRATIVE

Traffic unit #2 was properly stopped at the stop sign controlled intersection on 30th Street NE at 113th Avenue NE, for cross traffic. Traffic unit #1 was properly stopped at the stop sign controlled intersection on 113th Avenue NE at 30th Street NE. Traffic unit #1 accelerated at a speed greater than reasonable or prudent (given the number of student pedestrians leaving school, as well as the number of motor vehicles on the roadway at this time of day) and proceeded to make a left turn onto 30th Street NE. Traffic unit #1 lost traction given the vehicle speed, and began a counter clockwise rotation. Traffic unit #1 right front end collided with traffic unit #2 left mid cab, causing minor damage to each motor vehicle.

- Both vehicle operators stated they were uninjured and wearing their respective seat belts at the time of the collision.
- TU2 operator stated the causing vehicle revved its engine, spun its tires, and quickly turned the corner before losing control and colliding with his vehicle.
- TU1 operator stated he isn't used to the clutch in his new vehicle which caused the quick acceleration of his vehicle and losing control.
- Witness stated the operator of the causing vehicle used excessive acceleration as he began a left turn, lost control and collided with the pickup truck.
- Statements obtained at the scene were later attached to this report.
- Photographs taken of TU1 and TU2 and later attached to this report.

I CERTIFY (DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT. (RCW 9A.72.085)
